1 Information about website

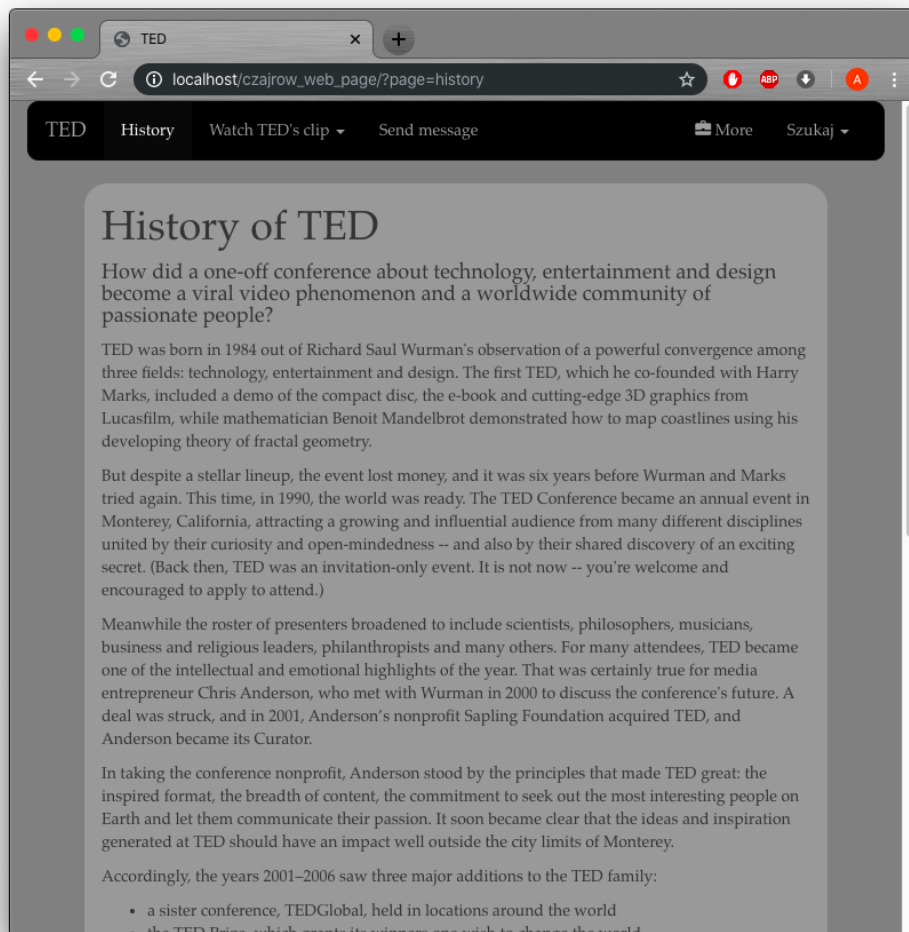

This website is solution to problem presented in homework task at Web Programming course. All of the requirements are presented in this website. Website works perfectly both on desktop devices and on mobile devices. Following pictures show all of it's features.

In order to visit the website please go to:

<https://czajrow.000webhostapp.com/>.

2 Layout

Layout of page is as below. All features are resizing depending on the screen size and menu bar is collapsing on smaller devices.

History of TED

How did a one-off conference about technology, entertainment and design become a viral video phenomenon and a worldwide community of passionate people?

TED was born in 1984 out of Richard Saul Wurman's observation of a powerful convergence among three fields: technology, entertainment and design. The first TED, which he co-founded with Harry Marks, included a demo of the compact disc, the e-book and cutting-edge 3D graphics from Lucasfilm, while mathematician Benoit Mandelbrot demonstrated how to map coastlines using his developing theory of fractal geometry.

4 Form to sending emails

The screenshot shows a web browser window with the URL `localhost/czajrow_web_page/?page=message`. The page has a dark header with the TED logo, navigation links (History, Watch TED's clip, Send message), and a search bar. The main content area is a light gray box containing a form. The form has a label 'Topic:' above a text input field with the value 'Topic of my email.' Below this is a label 'Message:' above a larger text area containing the text: 'This is content of email that I want to send to site owner. This is content of email that I want to send to site owner. This is content of email that I want to send to site owner. This is content of email that I want to send to site owner. Best regards, User xyz'. A green 'Send' button is at the bottom right of the form. At the bottom of the page, there is a dark footer with the text: '© Copyright 2019. TED - a nonpartisan nonprofit organisation.'

The screenshot shows a web browser window with the URL `localhost/czajrow_web_page/?page=print_message`. The page has the same dark header as the previous screenshot. The main content area is a light gray box containing the text 'This mail will be sent to site owner:' followed by a horizontal line. Below the line, the text 'Topic:' is displayed above a gray box containing the value 'Topic of my email.' Below this, the text 'Message:' is displayed above a gray box containing the text: 'This is content of email that I want to send to site owner. This is content of email that I want to send to site owner. This is content of email that I want to send to site owner. This is content of email that I want to send to site owner. Best regards, User xyz'. At the bottom of the page, there is a dark footer with the text: '© Copyright 2019. TED - a nonpartisan nonprofit organisation.'
